How can the power of diversity in nature be comprehended?

vaariaa na jaavaa ek vaar ||

Its magnitude can't be encompassed even for a moment.

jo tudh bhaavai saiee bhalee kaar ||

Whatever is ordained by the laws of nature is a sublime act for universal well-being.

too sadaa salaamat nira(n)kaar ||17||

The all-pervading consciousness is eternal and formless. (17)

Essence: Guru Nanak says there are countless forms in nature, each with its own unique way of living. The sheer vastness and complexity of creation are beyond our comprehension. However, all forms are subject to the same laws of nature, which are governed by the all-pervading consciousness. This interconnectedness defines Oneness in diversity.
